

ACTION DSC

CFIA APPROVED DISINFECTANT/BACTERICIDE/FUNGICIDE

PURPOSE:

A mild alkaline detergent, disinfectant and sanitizer containing highly concentrated quaternary ammonia with wide spectrum fungicidal and virucidal properties.

FEATURES:

Action DSC is ideal for food processing plants on all surfaces where sanitizing and disinfection is required and is biodegradable. Capable of killing a wide range of pathogens, Action DSC is Canadian Food Inspection Agency approved.

WHERE TO USE:

Action DSC is perfect for use in food processing areas and all surfaces requiring sanitization. Action DSC can be used in garbage bins, dumpsters and anywhere else odor-causing bacteria are a concern. Also, good for use as a walk through boot and hand dip. Action DSC is an excellent between crop sanitizer.
