

Mechanic's Choice Hand Scrub

Polybead Hand Cleaner

PURPOSE:

This polybead hand cleaner is ideal for cleaning oil and grease off of hands without damaging the skin. Its orange colour changes before your eyes as this product is being applied because it absorbs the oil and grease, leaving hands clean and soft. Mechanic's Choice Hand Scrub also contains lanolin which moisturizes hands to enable constant use of the product without causing dryness or cracking of skin.

BENEFITS/FEATURES

- Soft, plastic polybeads are more gentle on skin than pumice based cleaners and do not clog drains
 - Non-greasy moisturizer prevents hands from drying out
 - If the product begins to dry out just add a little water, less product waste
 - Highly concentrated product that is economical to use
-

WHERE TO USE:

Mechanic's Choice Hand Scrub is a multi use product that works well for removing dirt, grease, oil and almost all other grime from skin.

HOW TO USE:

Wet hands then apply product and scrub for at least 30 seconds. Rinse hands well.

PROPERTIES:
